

A Message from the Director:

You may be wondering why the location was left off the main information page? Our venue will be announced shortly. We have secured a wonderful high school theater but are still waiting to hear from our familiar Lone Tree Arts Center facility. We know that our dance family has performed with the LTAC for several years and we are very comfortable with that partnership and familiarity. However they have made changes to their rental policy and have increased pricing. We too have made some changes with our performance being in June instead of July. With the performance around the corner in a few short months, I do not want to delay our production or interfere with your summer planning. Costumes need to be ordered and can take up to 8 weeks for arrival after production. Regardless of which venue we dance at, we want to keep the same dates.

Please note the venue will be a determining factor in ticket prices.

(Hopefully \$15 or less) Colorado Dance Center will continue to strive to keep our ticket prices as reasonable as possible for families. We are honored to be a second generation studio that has proudly served the community for over 35 years.

We hope this information packet will help you with your summer plans. Thank you for your patience regarding this detail. Each dancer is a treasured gift to our studio family and we thank you for choosing Colorado Dance Center. Please let me know if you have any questions regarding the upcoming performance.
